

PRATIK SUNIL ABHANG

+91 8766854678 work.pratikabhang@gmail.com in/pratikabhang pratikabhang Pune, India

SUMMARY

I am a meticulous Computer Engineer with experience optimizing technology, developing software and web applications and analyzing data to improve workflows. I am dedicated to continuous learning and staying current with emerging technologies to improve productivity. I excel at solving problems and helping achieve organizational goals in fast-paced environments.

EDUCATION

Bachelor of Engineering in Computer 2021 – 2025 | Maharashtra, India
STES, Sinhgad Institute of Technology and Science, Pune
CGPA: 8.21 / 10

Higher Secondary Certificate (12th) 2021 | Maharashtra, India
RSS, R.B. Narayanrao Borawake College, Shrirampur
Percentage: 82.17 / 100

Secondary School Certificate (10th) 2019 | Maharashtra, India
VMSS, De Paul English Medium High School, Shrirampur
Percentage: 72.20 / 100

PROFESSIONAL EXPERIENCE

Software Developer Intern Oct 2024 – Nov 2024 | India
Cognifyz Technologies

- Developed full-stack applications, improving performance, UI/UX and scalability using modern frameworks.
- Collaborated with teams to design, test and deploy robust software solutions successfully.
- Enhanced product features and fixed bugs to ensure a smooth user experience and high reliability.

Web Developer Intern Dec 2023 – Jan 2024 | India
Elite Softwares

- Built a dynamic website with front-end and back-end integration for seamless real-time functionality.
- Designed a responsive UI to ensure a smooth user experience across all devices and screen sizes.
- Improved site performance and security, enhancing user trust and system stability.

SKILLS

Programming Languages Java, Python, SQL, Kotlin	Frontend & Web Technologies HTML, CSS, JavaScript, React.js, Tailwind CSS
Backend & Framework Technologies Node.js, Express.js, Spring Boot, Django, Next.js	Databases & Cloud Technologies MySQL, PostgreSQL, MongoDB, Firebase, AWS, Redis
Tools & Platforms GitHub, VS Code, Postman, Figma Docker, Slack	Core Concepts OOP, DSA, SDLC, REST APIs, Cloud Computing, System Design

PROJECTS

CredBud: The Student Platform

- Simplifies academic record-keeping and resource sharing, making student data management seamless and highly efficient.
- Implements QR-based attendance with automatic record and automated academic term grant PDF generation for students.
- Generates precise attendance sheets and maintains accurate student records for streamlined academic administration.

PayCircle: Group Expense Record

- Simplifies expense tracking and transparent cost splitting to help groups manage shared expenses easily.
- Designed a system to log shared expenses, automate calculations and accurately track repayment balances.
- Displays clear breakdowns and member balances, improving transparency and simplifying group expense management.

DocView: AI Document Analyzer

- Enabled quick document analysis and insight extraction using advanced AI across various document formats.
- Integrated intelligent AI models to summarize documents, extract keywords and instantly highlight key information.
- Provides clear, instant summaries with extracted keywords to help users understand documents more quickly.

CERTIFICATION & COURSES

Web Development Internshala	Cybersecurity Skill India Digital Hub	Software Conceptual Design NPTEL
Artificial Intelligence Infosys Springboard	Networking Basics Cisco Networking Academy	AWS Cloud Practitioner Essential Simplilearn

ADDITIONAL INFORMATION

Language English, Marathi, Hindi	Interest Photography, Dance, Puzzles, Cricket	Achievements Solved 100+ problems on LeetCode
